FRIENDS of the Playhouse

Supporting Stroud's
Own Theatre

FRIENDS OF THE COTSWOLD PLAYHOUSE

Friends are supporters of the Playhouse who provide practical and financial help, ensuring the future of this unique Stroud venue for amateur and professional theatre. Membership is open to all.

In return, they receive advance notice of programmes, concessionary booking for most productions and access to special events - together with the knowledge that they are actively supporting a unique venue in the town.

The Playhouse is maintained and staffed entirely by volunteers and receives no direct grant or subsidy income. It has been significantly modernised over the last few years and presents a varied programme of around 20 events throughout the year.

Income is generated from ticket sales, hire charges, the sale of refreshments, fund-raising activities and the generosity of our supporters.

If they wish, Friends have an opportunity to offer their expertise and enthusiasm by becoming more directly involved in other theatre activities.

The Playhouse is owned by the Cotswold Players, our resident Company, and is run by a management committee.

OTHER INVOLVEMENT

Front of House

Bar

We are always short of people to help with Front of House or the bar. If you could help with selling programmes, collecting tickets, serving teas and coffees, or serving at the bar - even if it's only once or twice a year - then we'd be delighted to hear from you. Just tick the box over-leaf. It's not too onerous - and you get a free drink!

Data Privacy

The Cotswold Players take the protection of the data that we hold about you as a Friend seriously and will do everything possible to ensure that data is collected, stored, processed and retained in accordance with current and future UK data protection legislation.

We only collect and store data that is needed to meet our obligations to you as a Friend and we will not share your information with any third parties.

Please read the full privacy policy at www.cotswoldplayhouse.co.uk/privacy-policy to see what information we may collect, why we collect it and what we will do with it.

By signing the form overleaf you confirm that you have read this notice.
